

THE SECRETARY OF TRANSPORTATION
WASHINGTON, D.C. 20590

**Equal Employment Opportunity Policy Statement
2010**

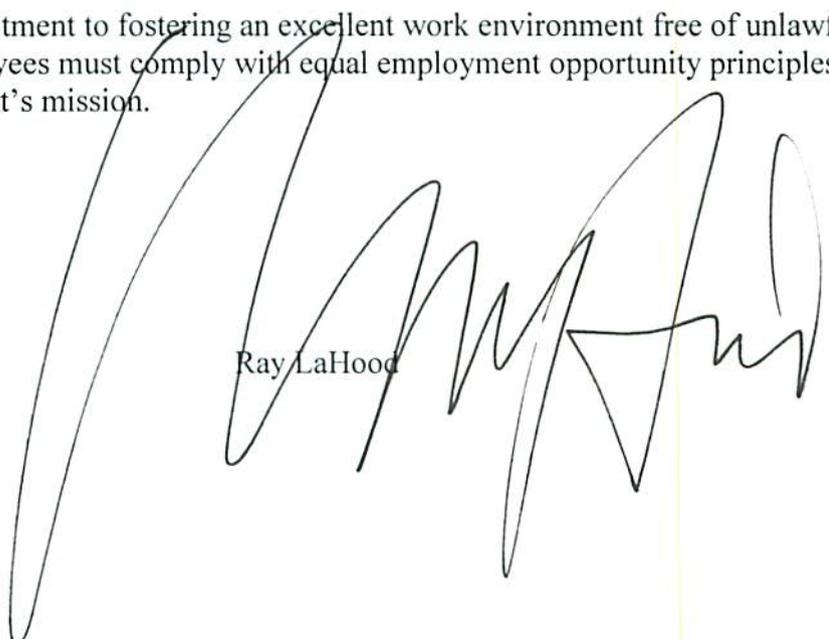

The U.S. Department of Transportation will maintain a model Federal work environment that is free of discrimination. We will ensure equal employment opportunity for employees and applicants for employment, regardless of race, color, national origin, religion, sex, genetic information, age (40 and over), disability, sexual orientation, or protected activity.

I am committed to fostering through effective outreach, recruitment, hiring, and employee development an inclusive workforce that reflects America's diversity. We will continue to identify and eliminate barriers to equal employment opportunities for individuals with disabilities and groups with a low participation rate of employment in the workforce. Equal opportunity, exclusive of unlawful bias or prejudice, to work and advance based upon merit is the law and not an option. I also expect all managers and supervisors to ensure that our employees are given equal opportunity for training and career development programs, promotions, awards and recognitions, and other applicable benefits and privileges of employment.

The Department will enforce zero tolerance of discrimination in the workplace. Violations of the law prohibiting unlawful discrimination practices will result in appropriate disciplinary actions against offenders, up to and including dismissal. Employees who believe they have been subjected to unlawful discrimination, subjected to reprisal for opposing discrimination in the agency, or hindered from participating in the employment discrimination complaint process are encouraged to contact their Office of Civil Rights or the Departmental Office of Civil Rights.

Let us maintain our commitment to fostering an excellent work environment free of unlawful discrimination. All employees must comply with equal employment opportunity principles as we perform the Department's mission.
